

2025

IMPACT REPORT

Dear Camp Tatiyee Supporters, Families, and Community,

As we look back on 2025, my heart is overflowing with gratitude for the joy, courage, and resilience we witnessed at camp this year. For 67 years, Lions Camp Tatiyee has opened its doors to children and adults with disabilities across Arizona and this year, we reached new heights of impact together.

In 2025, we welcomed hundreds of new campers, each one discovering new adventures, friendships, and independence. From adaptive go-kart racing and science labs to archery, campfires, and talent shows, every day was a chance for campers to feel capable, strong, and valued.

Thanks to your support, every single camper attended completely free of charge. Families often tell us this is the only week of the year their child can be fully themselves in a safe, inclusive environment. That is the heart of our mission, and it is only possible because of people like you.

Together, we are building a legacy of accessibility, joy, and empowerment. Thank you for making this year one to remember.

Yours in camping,

Pam Swanson
